www.moorarch.com

Moor, Baker and Associates Architects, P.A. is the Vero Beach Florida-based partnership of architects, Peter D. Moor, Mary Juckiewicz and Chris Baker.

For over twenty years, they have built their reputation creating timeless architecture where clients' needs, climate and site converge. The firm focuses on the private home, both new construction and renovation, an occasional commercial space or garden folly and any project furthering their interests in site planning, urbanism, craft, construction and the continuation of the traditional building arts.

The team has received numerous professional awards, been published in the Institute of Classical Architecture & Classical America's "A Decade of Art & Architecture 1992-2002" and many magazines including Coastal Living, Southern Living, Luxe and Tropical Home.

Job Description-Requirements

The position we wish to fill offers the benefits of a small beachside studio, relaxed in demeanor. Many of our projects are built locally offering you the opportunity to work closely with the finest craftsmen in the region.

A final set of our highly detailed construction documents represents our unique marriage between hand drawn design presentations and computer generated modeling.

This technique requires:

- Hand Drafting
- Model Building
- Familiarity with BIM, preferably REVIT
- AutoCAD

More important than years of experience, you must bring an enthusiasm for learning and the desire to be submerged in every aspect of one of our projects.

Minimum Education: 4 Year Architectural Degree

Salary: Commensurate with experience.
