

JONES & BOER ARCHITECTS

Jones & Boer Architects is seeking a Project Architect with prior experience in single-family custom residential architecture. Candidates should have a 3-5 years of experience and be passionate about architecture. We are an established, award-winning, nationally published firm specializing in the design of highly custom homes. Creativity, inventiveness, and attention to detail are vital to our practice, and the position offers opportunity for growth, good benefits, and a relaxed, collaborative environment. Applicants must have a professional degree in architecture and be proficient in AutoCAD; 3D modeling skills are a plus.

Our office is located on the top floor of a townhouse in DC's Dupont Circle neighborhood. Please visit our website, www.jonesboer.com, for more information.
