

## Senior Architect   Project Architect   Staff Architect

- ✦ Looking for a great place to work? SEBREE Architects is a small well-respected & well-established (45 years & counting!) commercial architectural firm in Avon, Indiana, just west of Indianapolis.
- ✦ Our firm's focus markets are multi-family and assisted living housing, but also include commercial, industrial, adaptive re-use, retail and industrial designs.
- ✦ We are seeking to expand our staff.

Foremost we are seeking a high-experience-level architect (Licensed and/or Masters degree) with the experience to handle our projects at every step – from initial client concept and design to completion and closeout.

We are seeking graduate level moderately-experienced architects who are working towards same skill levels as above.

Immediate openings and full time employment.

*(An additional well-defined & structured part time position of 20-25 hours per week could be considered for the right highly-experienced dedicated individual.)*

### Computer skills & software used:

AutoCAD   Microsoft Office Suite   Revit   SketchUp   Bluebeam   Adobe

### Benefits:

- ✦ Paid holidays & PTO (Paid Time Off)
- ✦ Low deductible PPO health insurance—employer-subsidized including medical, life, vision, dental
- ✦ Long term disability coverage
- ✦ 401(k) plan with Safe-Harbor-structured match
- ✦ Aflac coverage available
- ✦ Salary levels will be commensurate with experience.
