INTERN ARCHITECT

ALLIANCE ARCHITECTS is an award-winning full-service architectural firm with highly experienced architects and technical staff. Our client-focused firm serves the greater Midwest and beyond. Our core practice areas include higher education, institutional, multi-family, public housing and senior living development.

We are seeking experienced candidates for the full-time position of Intern Architect in our South Bend, Indiana office.

Job Responsibilities:

- Report to the Project Manager responsible for the individual project.
- Assist in project planning and design by CAD Drafting, 3D Model and Rendering.
- Assist with preparation of construction drawings.
- Prepare finish material sample boards, physical models and graphic presentations for client approval.
- Travel to project sites as necessary during design and construction phases.
- Act as a positive representative of the firm and its core values.

Requirements/Key Skills:

- NAAB accredited professional degree preferred.
- 1 to 3 years of relevant architectural experience.
- Capable of both conceptualizing a building’s design and assisting with developing construction documents for its implementation.
- Strong communication and graphic presentation skills.
- Highly organized and efficient with time.
- Ability to collaborate with others.
- Proficient in Adobe Creative Suite (specifically Photoshop, Illustrator and InDesign), AutoCAD, Sketch-Up and rendering software such as VRay.
- Experience in the following areas would be preferred: 3DStudioMax, Maya, laser-cutting and model building.
- Ability to work on multiple projects at the same time.

ALLIANCE ARCHITECTS is an Equal Employment Opportunity Employer.

Please submit a cover letter, resume and portfolio of your work to blamie@alliarch.com.
