

Mercer Home seeks a full-time draftsman to develop architectural plans in-house for our projects at Hampstead in Montgomery, Alabama. Mercer Home is the largest residential builder in Hampstead, a New Urbanist community designed by Duany Plater-Zyberk & Company.

Hampstead was founded in 2008 by Anna Lowder & Harvi Sahota, who created Mercer Home that same year as the principal home builder for the community.

This position requires a draftsman to convert concept drawings and sketches to technical drawings for construction. The right candidate will be a team player skilled at precise work, efficiency of time, and multi-tasking in a fast-paced environment. The position is available immediately for qualified candidates.

Interested candidates should email resumés to anna@hampsteadliving.com.

Position: Mercer Home Draftsman (assigned to Construction Plans for Hampstead)

Position Duties:

- Design construction plans using CADD or SketchUp
- Work from rough sketches and specifications created architects and designers
- Add details and notations to architectural plans
- Prepare various versions of designs for review by architects and construction team
- Specify dimensions, materials, and procedures on plans
- Work under the supervision of architects, designers, and head of construction operations

Education:

The position is open to a range of educational and professional experiences, including:

- * Recent college graduates with a Bachelor's Degree in Architecture
- Drafters with a Postsecondary Degree in Drafting
- Those with proven experience and knowledge within this field

- American Design Drafting Association (ADDA) certification or equivalent

Candidate Qualities:

- Critical-Thinking Skills: help spot problems with plans and designs prior to plan completion
- Detail Oriented: Details must be technically accurate to the outlined specifications
- Interpersonal Skills: Must work closely with architects, engineers, and other designers to make sure that final plans are accurate. This requires the ability to take advice and constructive criticism, as well as to offer it
- Time-Management Skills: Ability to work under strict deadlines, therefore must work efficiently in order to produce the required output according to set schedules
- Computer Skills: SketchUp (preferred), CAAD (secondary), Layout, Google Suite, Dropbox

Compensation:

- Full time annual salary to be discussed with qualified candidates
- Benefits Package - including BCBS insurance package, holiday and leave days
- Annual performance review with opportunity for salary increase or bonus
