Been to the zoo lately? Zoos and wildlife parks around the world are at the forefront in the movement to protect and preserve the environment and wildlife. If that piques your interest, we'd like to hear from you. CLR Design is a multidisciplinary architectural design firm working with these leading zoos and conservancies throughout North America and abroad. We are looking for architectural graduates with 3 to 7 years of experience for our East and West Coast offices who exhibit strong interpersonal skills, solid design ability, and is willing to travel. Free-hand sketching and digital modeling skills are a must. We are a 27 person, integrated team of architects and landscape architects with locations in Philadelphia, PA and Capistrano Beach, CA. Bring your passion for the environment and design skills to work with a recognized team of innovative, planners and architectural exhibit designers.

Enjoy our website at www.clrdesign.com and email resumes to vbain@clrdesign.com. We look forward to hearing from you. AA/EOE
