E-Mail: tim@architechnica.net

ARCHITECTNICA is a Stockton based Architecture Firm that specializes in providing Architectural Services to Public School Districts in the Central Valley. In nearly 40 years, the team at ARCHITECTNICA have completed over 100 school projects ranging from relocatable classroom buildings to complete schools. To date, ARCHITECTNICA is most proud of their Transformative Master Plan for Edison High School in Stockton, CA.

ARCHITECTNICA is currently looking to fill the following position:

Architect

Duties include project programming and management, design, drafting (Revit), and construction administration/management. Total compensation package will range from \$100K to \$150K and includes salary, holidays, vacation days, sick days, health care, professional dues, full auto (after 3 months: company vehicle, gas, insurance, maintenance), 401K, and profit sharing. **Candidate must be a Licensed Architect in the State of California.** School design and DSA experience preferred.

Interested candidates shall submit a cover letter, resume, and portfolio to Timothy L. Dearborn, AIA at tim@architechnica.net.
