

Curriculum Vitae

ALEJANDRO DOUGLAS DUANY

Professor of Practice
School of Architecture
University of Notre Dame

- I. Education
- II. Previous Academic Positions
- III. Distinctions, Honors, Awards
- IV. Professional Experience
- V. Professional Projects
- VI. Publications
- VII. Selected References to Works & Ideas
- VIII. Invited Lectures and Addresses
- IX. Academic Courses Taught
- X. Interests, Research & Notable Contributions

ALEJANDRO DOUGLAS DUANY

I. EDUCATION

1987-1990	Harvard University Graduate School of Design Master in Landscape Architecture
1971-1975	Princeton University
1967-1971	The Choate School <i>Cum Laude</i>

II. PREVIOUS ACADEMIC POSITIONS

Fall 2013-present	Professor of Practice School of Architecture University of Notre Dame, Notre Dame, IN
Fall 2009 -2011	Visiting Associate Professor School of Architecture University of Notre Dame, Notre Dame, IN
2007-2009	Chair in Urban Ecology The Prince's Foundation for the Built Environment, London, UK
Spring 2005	Lecturer, Graduate School in Suburban & Town Design School of Architecture, University of Miami, Coral Gables, FL
Spring 2004	Lecturer, Postgraduate Program in Architectural Research in Rome University of Miami, Rome, Italy
Spring 2002 & 2003	Lecturer, Graduate Program in Suburban & Town Design

	School of Architecture, University of Miami Coral Gables, FL
Spring 2002	Visiting Professor (w/ Elizabeth Guyton) School of Architecture, University of Notre Dame, Notre Dame, IN
Spring 1996	Lecturer, University of Miami School of Architecture Coral Gables, FL
Spring 1995	Lecturer, University of Miami School of Architecture Coral Gables, FL
Spring 1994	Visiting Professor, Centre for Urban Studies University of Florida School of Architecture Miami Beach, FL
Fall 1993	Lecturer, University of Miami School of Architecture Coral Gables, FL
Summer 1993	Lecturer, University of Miami School of Architecture Summer Architecture Studio Program in Cartagena, Colombia
Fall 1992	Visiting Professor University of Florida School of Architecture Gainesville, FL
Summer 1992	Lecturer, University of Miami School of Architecture Summer Architecture Studio Program in Antigua Guatemala
Summer 1991	Lecturer, University of Miami School of Architecture Summer Architecture Studio Program in Merida, Mexico

III. DISTINCTIONS, HONOURS, AWARDS

GRAND PRIZE (STUDENT) AWARD TO RODRIGO BOLLAT FOR HIS 2014 THESIS PROJECT "CITIES OF A NEW PORT METROPOLIS."

STUDENT:

RODRIGO BOLLAT MONTENEGRO

CRITIC:

DOUGLAS DUANY

- 2015 The 2016 Seaside Prize
The Seaside Institute, Seaside, FL

 For the Series: Wordsworth in the Tropics
 The Miami Design Alliance, Miami Beach, FL
- 1990 "New England Greens"
 For Diana Balmori's American Landscape Seminar
 Yale University School of Architecture, New Haven, CT
- 1989 "Planning the Future: Seaside, Florida"
 For New Trends in Landscape Design
 New York Botanical Garden, The Bronx, New York, NY
- 1986 "Seaside: Town and Native Environment"
 For the Landscaping with Nature Symposium, Houston, TX
- 1986 "The Landscape of the Mind: The French Formal Garden"
 University of Miami School of Architecture, Coral Gables, FL

IX. COURSES TAUGHT

Studio Courses

1. "The City of the Future" 4th year Fall Washington Studio
University of Notre Dame, School of Architecture, Notre Dame, IN
2. "The St. Joseph River" & "Church in Haiti" 4th year Studio
University of Notre Dame, School of Architecture, Notre Dame, IN
3. "Las Catalinas Village Pool Club" & "Village Extension" 5th Year Studio
University of Notre Dame, School of Architecture, Notre Dame, IN
4. "A Monastic Town Foundation in Mainpat, India" & "Hampstead" 4th Year Studio
University of Notre Dame, School of Architecture, Notre Dame, IN
3. "Arketkton" 4th Year Washington Studio
University of Notre Dame, School of Architecture, Notre Dame, IN
4. "Citta Ideale" Graduate Program in Architectural Design and Urbanism
University of Notre Dame, Rome Studies Program, Rome, Italy
5. "Los Barrios" 5th Year Design Studio
University of Notre Dame, School of Architecture, Notre Dame, IN
6. "Roma Redivivus" Graduate Program in Architectural Design and Urbanism
University of Notre Dame, Rome Studies Program, Rome, Italy
7. "Las Catalinas Village" 5th Year Design Studio
University of Notre Dame, School of Architecture, Notre Dame, IN
8. "Monte Celio" Graduate Program in Architectural Design and Urbanism
University of Notre Dame, Rome Studies Program, Rome, Italy.
9. "Corcoran Extension" & "A Columbus Theatre" 4th Year Washington Studio
University of Notre Dame, School of Architecture Notre Dame, IN
10. "Sarasota 2010" Graduate Program in Town Design
University of Miami, School of Architecture, Coral Gables, FL

11. "Reconstructing Pliny's Villa" Postgraduate Program in Architectural Research
University of Miami, School of Architecture, Rome, Italy.
12. "Tennessee River Town" Graduate Program in Town Design
University of Miami, School of Architecture, Coral Gables, FL
13. "Organic Design" Graduate Program in Town Design,
University of Miami, School of Architectural, Coral Gables, FL
14. "The Landscape of Departure, Notre Dame du Lac" 4th Year Studio,
(with Elizabeth Guyton) University of Notre Dame, School of Architecture
Notre Dame, IN
15. "Spatial Structure" Graduate Program in Town Design,
University of Miami, School of Architectural, Coral Gables, FL
16. "City Edges" Undergraduate design Studio (with Jorge Trelles)
University of Miami Summer Architecture Studio in Cartagena, Colombia.
17. "Regional Town Plans" Graduate Architecture Program,
University of Florida, School of Architecture, Gainesville, FL
18. "Pliny's Laurentian Villa" 3rd Year Design Studio, (with Kristin Triff)
University of Florida, School of Architecture, Gainesville, FL
19. "New Green" 4th Year Design Studio (with Teofilo Victoria, Luis and Jorge Trelles)
University of Miami, School of Architecture, Coral Gables, FL
20. "New Antigua" (with Teofilo Victoria)
University of Miami, Summer Architecture Studio in Antigua, Guatemala.
21. "South Beach" 4th Year Design Studio (with Teofilo Victoria, Luis and Jorge Trelles)
University of Miami, School of Architecture, Coral Gables, FL
22. "The Caribbean City" (with Teofilo Victoria and George Trelles)
University of Miami, Summer Architecture Studio in Merida, Mexico.

Seminars taught

1. "The Traditional City, Theory and Reality. Part II: *Teoria*" 2013, 2015
University of Notre Dame, School of Architecture, Notre Dame, IN
2. "Sustainable Urbanism" (with Hank Dittmar) 2008
Schumacher College, Totnes, Devon, UK.
3. "Master Class" 2006-2008
The Prince's Foundation for the Built Environment, London, UK
4. "Studies of Havana I" (with Rafael Fornes) Center for Urban Studies
University of Miami School of Architecture, Coral Gables, FL
5. "The South Beach Transect" Center for Urban Studies,
University of Florida, Miami Beach, FL

Independent Study, Graduate Program in Architectural Design and Urbanism

1. "A Comparison of Chinese and Western Spatial Structure," with Jingwen Zhao 2015
2. "The Adams Monument," with Caroline Swineheart 2015
3. "Urban Structure," with Paul Hayes and Anthony Catania 2014
4. "Enclaves," with Michael Geller 2013

X. INTERESTS, FIELD RESEARCH, AND NOTABLE CONTRIBUTIONS

Bibliographic and Field Research

- 2013 Cave Hermitages, Mustang & Solokumbo, Nepal.
- 2010 Hamlets, Manang District, Nepal.
- 2008 Development of Hindu temples, from Tamil Nadu to Bihar, India.
- 2007 The Alexandrian classical connection, in Hera and Kabul, Afghnaistan.
- 2007-8 Hydrology and traditional sustainable drainage, UK.
- 2005-7 Field research on Muslim urbanism in Tunisia, northern Iraq, Southern Spain.
- 2006 Earlyl Ottoman & Medieval Aramaic Architecture in Cilicia, Turkey.
- 2005 Hindu temple architecture in Java, Cambodia & Laos.
- 2002 Field Research on mountain villages in Europe, with William Buchanan.
- 2000 Last cycle of field research on French urban links with classical landscapes.
- 1996 Field research in Cuba, under invited by the Cuban preservation organizations.
- 1991-93 Latin American architecture in Yucatan, Guatemala, Colombia,
- 1990 4 month cycle of research on historic city spaces across Europe.
- 1989 Bibliographical Research at Harvard on German city and Siedlung planning'
- 1988 Field and bibliographical research while at Harvard on New England Commons.
- 1987 Bibliographic research at Harvard on classical garden history design.
- 1987 4 month cycle of research for 4 months on the Classical Garden across Europe.
- 1986-2003 Forests & urban trees research, creating a code data bank.
- 1985 Field study of the sucesional structure of the Caribbean Hammock Forest inaugurates interest in complexity.
- 1984 Field training on forest, soil, genetic and cultural ecology under Steven Rieffler.
- 1974 Study with David Coffin at Princeton Univeristy on the classical landscape.

Influential Designs, Practice and Ideas

- 2013 The furlong is passed unanimously as the new basic unit of urban infill by the first New Urban Council on Lean Urbanism.
- 2010 *Las Catalinas* in Costa Rica deploys for the first time generative principles for design.
- 2009 A one-day Open Seminar in London outlines the theory of armatures to a conference of professionals at the Princes' Foundation.
- 2007 The urban plan for the reconstruction of a bazaar and the Shi'a neighborhood in central Kabul is the first modern infill that re-deploys traditional construction methods practices developed by the *Turquoise Mountain Foundation*.
- 2000-3 Pro-Urb Listserv writing accompanies a critical period of New Urbanist expansion. Some debates are published in The NUP Series, and the writing helps to consolidate pre-transect NU theory.
- 1995 The first modern boulevard in the US, in Kentlands. is re-constituted according to it's original geometric design to achieve traffic calming.
- 1994 The University of Florida Urban Seminar in South Beach explores and names both names *Rural-to-Urban Transect*, the framework for traditional urban analysis and coding.
- 1994 *Middleton Hills* extends the new urbanist greenfield model to the Midwest.
- 1988 The Kentlands extends the New Urbanist greenfield model to the Mid-Atlantic, breakage the model and rationale of 'pod' development. The Old Farm District re-introduces attached townhouses as successful modern typology, relegates garage doors to the back, and demonstrates how traditional building can break open the narrow income arrangements in real estate development.
- 1992 The CNU I lecture on early German planning ("Rural Weaves in Early XXth century Urban Planning" introduces transect weaves and juxtaposition to the urban discourse.
- 1984 The scrub preservation and drainage practices at Seaside place it in the forefront of the native plant and the sustainable drainage movements, where it still remains, while its piecemeal construction model for Lean Development.
