

CRAIG & COMPANY

PROJECT ARCHITECT/DESIGNER

About the Firm

Craig & Company, successor firm of Lichten Craig, is an award-winning architecture and interior design firm with offices in Chicago and New York. With wide and varied experience, we have completed both private and public commissions. The success of our projects can best be attributed to the strength of the firm's vision, a collaborative approach, and responsiveness to both client and place.

Applicant Requirements

- Bachelors or Masters Degree in Architecture
- Design literacy
- Curiosity and passion for design solutions
- Detail orientation
- Exceptional organizational skills
- Enthusiasm, motivation, and perseverance
- Positive, energetic team player
- Strong written, verbal, and graphic skills
- AutoCAD fluency
- 3-5 years minimum in professional architectural design experience

About the Position

Candidate will collaborate with the Senior Architect to develop projects from the beginning of design through the completion of construction. Ideal candidate will be able to work collaboratively with the other team members to bring creativity, critical thinking, and quality execution to their projects. Ability to work efficiently and effectively within the project schedule and fee parameters is essential. Applicants must be flexible in taking on various projects and roles as part of a versatile and dedicated team. Proficiency in AutoCAD, Adobe Creative Suite, and Microsoft Office is required, SketchUp preferred.

Qualified candidates should submit cover letter, resume, and work samples/portfolio to Amalia Carmona: carmona@craigandco.com
