

PROJECT ARCHITECT

STAFF ARCHITECT

SEBREE Architects, Inc., seeks full time Indiana registered or graduate architects with a minimum of 4 years of experience to join our growing architecture firm. We have a strong 45 year history. The markets we serve are primarily various types of multi-family housing, but also include a mix of commercial, retail, adaptive reuse, municipal, industrial, warehouse, office buildings, and parks and recreation facilities. Projects can range up to >\$40M in construction value. We are located in Avon, Indiana, just a few minutes west of Indianapolis, Indiana.

Requirements and Skills

- ✈ Accredited architecture degree – minimum of a B.S. in Architecture
- ✈ Proficient with current AutoCAD and Microsoft Office Suite
- ✈ Knowledgeable about building codes and ADA design requirements
- ✈ Perform Construction Administration including on-site progress assessments when required, and review of submittals in conjunction with construction documents and project manual.
- ✈ Coordinate and integrate designs with engineering disciplines.
- ✈ Develop and coordinate full construction documents and specification package.
- ✈ Professional client communication and management skills – design through close-out.

Desired Skills and Attributes

- ✈ Experience with senior and assisted living design
- ✈ Proficiency with Revit™, SketchUp, and Adobe or Bluebeam
- ✈ Familiar with National Green Building Standards (NGBS) sustainability program
- ✈ Familiar with Low Income Housing Tax Credit (LIHTC) design and affordable-housing programs—Qualified Application Plan (QAP) requirements
- ✈ Personable & professional presentation in office and with clients.

Benefits:

- ✈ Paid holidays & PTO (Paid Time Off)
- ✈ Low deductible PPO health insurance—employer-subsidized including medical, life, vision, and dental
- ✈ Long term disability coverage
- ✈ 401(k) plan with Safe-Harbor-structured matching
- ✈ Aflac coverage available
- ✈ Salary levels will be commensurate with experience.
